

xpm_draw_Background

```
graph LR; A[xpm_draw_Background] --> B[vg_draw_pixel]; B --> C[get_width];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is filled with a dark gray color and contains the text 'xpm_draw_Background'. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle is white with a dark gray border and contains the text 'vg_draw_pixel'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box on the right is also white with a dark gray border and contains the text 'get_width'.
